

During the COVID-19 threat, our office remains open for business; however, our clients, community friends, and staff are our primary concern. To ensure everyone is protected while obtaining necessary elder law and long-term care services, we are scheduling all consultations and meetings via telephone through April 13, 2020. If you have the ability, please send any documents via e-mail, facsimile or US mail.

For daily updates on COVID-19, please go to [www.floridahealth.gov](http://www.floridahealth.gov) (Florida Department of Health) or [www.cdc.gov](http://www.cdc.gov) (Centers for Disease Control and Prevention) for information and best practices regarding the virus. Please do not hesitate to let us know what additional resources we may provide for your and your family's safety and wellness.
